

---

If every workshop weekend was about an average of \$80 and there is a minimum of about 38 workshops to create the 300 hours with only WAORYTT (our school) then that would be about \$3,000 plus your membership \$308

---

If you use your flex hours your tuition could be less by about \$500 or more. The flex option could mean you do hours with another school in which case that cost is up to you and you can learn more about the flex option by reading the schedule and enrollment page on our website.
